Thorogood Fire

Thorogood's Hellfire™ fireboots provide the protection you demand. A worry-free design makes sure the only thing you need to concentrate on is fighting the fire. Hellfire™ boots take care of your feet with heat, slip, water, and puncture resistant engineering.

Safety, durability, and comfort are combined in a boot that delivers performance whenever advantage counts. Proven durability ensures long-lasting duty life, a testament to Hellfire™ boots' ability to go on Working Over Time.
