### AERIAL CRADLE COMPARTMENT RIGHT SIDE

PLANT: Rosenbauer

SPECIFICATION: A compartment shall be provided ahead of the side mount pump panel on the right side outboard of the aerial cradle and chassis frame rail. The compartment shall be approximately 9" wide x 85" high x 25" deep with removable slip resistance floor material or decking in the base of the compartment. The compartment shall be fabricated from polished aluminum diamond plate. An aluminum diamond plate door with a full height stainless steel piano hinge and single point D-ring door latch shall be supplied to enclose the compartment.
